

Risk Management Advisor, Real Estate

Real Estate Insurance Exchange (REIX)

Calgary, AB

Job Details

Job Type: Contract

Who We Are

The Real Estate Insurance Exchange (REIX), established in 1991 by the industry for the industry, has become a cornerstone for real estate practitioners in Alberta and Saskatchewan. As the exclusive provider of errors and omissions liability insurance, REIX also offers risk management education, a cyber security program, and claims support.

What sets REIX apart in the insurance world is its proactive approach to risk management. Instead of raising premiums to cover claims costs like commercial insurers, REIX focuses on strengthening its Risk Management Support Program. This program guides insureds on best practices to avoid lawsuits. A recent initiative includes the introduction of a Risk Management Advisor consulting role in Saskatchewan, which has already shown significant impact. We are now expanding this initiative in Alberta.

Position Description:

We are seeking an experienced and knowledgeable licensee from the industry to join the REIX team as a **Risk Management Advisor**. In this contractual position you will assist in the strategic expansion, innovation, and operational excellence of the REIX Risk Management Support Program (RMSP) to our subscribers in Alberta. Your expertise will be instrumental in ensuring that our subscribers have access to cutting-edge resources, training, and support to navigate the evolving landscape of risk management in the real estate industry.

Responsibilities will include but are not limited to:

- Curate and present Risk Management seminars within boards and brokerages, harnessing your knowledge and experience in the real estate industry to guide practitioners to prevent future claims from occurring.
- Engage with REIX staff to proactively identify and address emerging trends and concerns through communication and learning initiatives.
- Provide accurate ad hoc advice to our subscribers.

Requirements:

- 5+ years of real estate experience; broker's license preferred.
- A bachelor's degree in a relevant field preferred.

- Familiarity with Errors & Omissions Insurance and some familiarity with real estate law appreciated.
- Experience in mentoring real estate agents and in providing sound guidance.
- Exceptional communication prowess, both in articulating complex concepts and delivering compelling presentations.
- A track record of orchestrating successful seminars, webinars, and presentations for diverse audiences.
- Self-motivation, combined with a visionary outlook and a proactive approach to tackling challenges.

This role will require travel throughout Southern Alberta, promoting the RMSP to our subscribers.

Join our team and contribute to shaping the real estate industry in Alberta and Saskatchewan! If you have a passion for risk management, real estate, and training, we would love to hear from you! Apply now and be part of our mission to drive awareness and best practices around risk mitigation in the real estate industry.

Please submit your resume and cover-letter detailing why you are the best candidate for this role to careers@reix.ca.
